UNDER SECRETARY FOR HEALTH'S INFORMATION LETTER
DIVERSITY AWARDS PROGRAM

1. Nominations are being accepted for the Veterans Health Administration (VHA) Diversity Awards Program. Established in 1993 by the Under Secretary for Health's Diversity Advisory Board, this awards program recognizes those VHA facilities that have advanced the cause of diversity in the workplace and have provided a positive role model for other facilities through an educational project, program, or activity that demonstrates support for diversity, and empowers employees and/or teams.
2. VHA policy defines diversity as: "those human qualities that are different from our own and outside the groups to which we belong, yet present in other individuals and groups." Managing diversity is defined as: "a comprehensive managerial process for developing an environment that works for all employees."
3. Any VHA facility, Veterans Integrated Service Network (VISN), or VHA Central Office Program Office that has developed initiatives to increase awareness of diversity and improve diversity within the organization is eligible for this award. Each applicant is to submit an application package which contains detailed information on the Diversity Program, its unique activity(ies), and the involvement of senior leadership. The requirements for the application process are found in Attachment A.
4. Recognition will be given to organization(s) that have developed an innovative, successful program based on achievements in diversity (mentoring, education and training, career advancement, etc.). **NOTE:** *Such programs are not to be confused with required special emphasis programs.* The award winner receives the Diversity trophy and the Honorable Mention recipients receive framed certificates.
5. Application packages are screened by a subcommittee of the Diversity Advisory Board. Recipients are chosen on the basis of their application by an ad hoc committee comprised of members who have the background and expertise to serve on the committee. The determination of the winners depends fully on the information provided in the application package. **NOTE:** *The nominated program and/or activity needs to demonstrate a commitment to policies and programs that promote diversity in the Federal workplace.*
